THE FOUR SUITS & WORLDS — REFERENCE

Each suit = one element, one World, one letter of ■■■■:
Wands · Fire · **Atziluth** (Archetypal / Will) · Yod.
Cups · Water · **Briah** (Creative / feeling) · Heh.
Swords · Air · **Yetzirah** (Formative / mind) · Vau.
Disks · Earth · **Assiah** (Material / body) · final Heh.
The suits repeat the whole Tree of Life through the four Worlds.

READING THESE CARDS — REFERENCE

Front = the card. **Back** = its correspondences, each self-contained.
Colour swatches are the four Golden Dawn scales (Liber 777): **K**ing (path/Atziluth), **Q**ueen (Sephira/Briah), **P**rince (Yetzirah), **Pr**incess (Assiah).
[overlay] marks the chakra — a modern add-on, *not* in Crowley.
Zodiac ring = where the card sits on a wheel with 0° Aries at the top, going *clockwise*.
Dates are approximate (±1 day) and follow the **Sun**; for courts, a person is read by Sun *or* rising sign (see The Court Family).
Nothing is left undefined: every planet, sign, element, Sephira and World is glossed on the card that uses it; each card ends with a **Terms** line defining its remaining jargon; and the four Glossary cards at the back collect it all.

THE SEPHIROTH — REFERENCE

1 Kether crown, unity · **2 Chokmah** wisdom, force, Father · **3 Binah** understanding, form, Mother · **4 Chesed** mercy, authority · **5 Geburah** severity, power · **6 Tiphareth** beauty, the Self · **7 Netzach** victory, desire · **8 Hod** splendour, intellect · **9 Yesod** foundation, the astral · **10 Malkuth** kingdom, the body.
Three pillars: Severity (3,5,8) · Mercy (2,4,7) · Middle (1,6,9,10).

NUMBERS & THE TREE — REFERENCE

Every pip is a Sephira; the number tells you what the force is *doing*:
Ace root/seed · **2** will (Chokmah) · **3** form (Binah) · **4** order (Chesed) · **5** strife (Geburah) · **6** harmony (Tiphareth) · **7** descent (Netzach) · **8** re-order (Hod) · **9** culmination (Yesod) · **10** completion, and so spent (Malkuth).
Force is purest at Ace–2, balanced at 6, fully manifest (inert) at 10.

COURT: PERSON, FORCE, OR IDEA? — REFERENCE

When a court card appears, decide what it is:
• **A person** — if near other courts, or it matches someone by Sun/rising sign (use the dates).
• **The querent** (or part of their character) — if it's the significator or tightly bound to it.
• **A force / event outside their control** — if ringed by pips: the elemental energy acting, not a person.
• **An archetypal problem** — if dignified by a Trump, which supplies the archetype.
Method: Crowley's nativity rule + standard Thoth reading craft.

THE COURT FAMILY — REFERENCE

The courts are הוהי made personal:
Knight Fire/Yod/Chokmah — rushing father.
Queen Water/Heh/Binah — enthroned mother.
Prince Air/Vau/Tiphareth — active son.
Princess Earth/final-Heh/Malkuth — throne of the Ace.
Persons by birth (Crowley): a court fits someone whose **Sun** *or* **rising sign** falls in its zodiac span (e.g. born 12 Oct → Queen of Swords). Princesses have no date span — read by element.

ELEMENTAL DIGNITIES — REFERENCE

Judge every card by its neighbours — not by reversal.
Fire & Air are friendly; **Water & Earth** are friendly.
Fire–Water and Air–Earth are contrary and weaken each other; same element reinforces.
Flanked by friends → **well-dignified** (strengthened).
Flanked by contraries → **ill-dignified** (afflicted, obstructed).
Same card, energy either flowing or blocked — this is how Thoth cards shift.

THE SIGNIFICATOR (CROWLEY) — REFERENCE

Crowley's divination frame:
1. Pick a court as the **Significator** of the querent (by nature or nativity).
2. Shuffle/cut; deal into the four packs of הוהי:
Yod = work/energy · **Heh** = love/emotion · **Vau** = trouble/strife · **final Heh** = money/business.
3. The pack holding the Significator shows what the question really concerns.
4. Read by **pairing** the cards flanking the Significator outward.

THE PLANETS — REFERENCE

☉ **Sun** — the radiant Self; vitality, integration, the centre.
☽ **Moon** — the reflective psyche; instinct, tides of feeling, the subconscious.
☿ **Mercury** — mind and message; intellect, speech, cunning.
♀ **Venus** — love and attraction; desire, beauty, harmony.
♂ **Mars** — force and drive; energy, aggression, courage.
♃ **Jupiter** — expansion and grace; growth, fortune, mercy.
♄ **Saturn** — limit and time; structure, discipline, endings.

THE ELEMENTS — REFERENCE

Fire — energy and will; the outgoing active force.
Water — feeling and reception; emotion, intuition, the dissolving.
Air — mind and motion; thought, communication, mediation.
Earth — body and substance; the stable, manifesting ground.
Spirit — the fifth, all-pervading essence; quintessence behind the four.
Judge cards by dignity: Fire–Air friendly, Water–Earth friendly; Fire–Water and Air–Earth contrary.

THE SIGNS — REFERENCE

♈ **Aries** — cardinal Fire; the initiating spark, a headlong start.
♉ **Taurus** — fixed Earth; steady sensual persistence, fertile ground.
♊ **Gemini** — mutable Air; quick duality, curiosity, exchange.
♋ **Cancer** — cardinal Water; protective feeling, the nurturing vessel.
♌ **Leo** — fixed Fire; radiant will, pride, the creative heart.
♍ **Virgo** — mutable Earth; discerning craft, analysis, service.
♎ **Libra** — cardinal Air; balance, justice, the weighing of opposites.
♏ **Scorpio** — fixed Water; intense depth, desire, regeneration.
♐ **Sagittarius** — mutable Fire; the aimed arrow, vision, the quest.
♑ **Capricorn** — cardinal Earth; ambition, discipline, mastery through limit.
♒ **Aquarius** — fixed Air; the fixed idea, the individual, the new current.
♓ **Pisces** — mutable Water; empathy, dream, dissolution.

THE 36 DECANS — REFERENCE

Each sign splits into three **decans** of 10°; the 36 small cards (2–10) each rule one, written as **planet in sign**.
Rulers follow the **Chaldean order** — Saturn, Jupiter, Mars, Sun, Venus, Mercury, Moon — cycling from Mars on the 1st decan of Aries (2 of Wands).
Fire signs → Wands, Water → Cups, Air → Swords, Earth → Disks. That planet-in-sign pairing is the flavour of every pip.

THE FOUR WORLDS (PLANES) — REFERENCE

Atziluth — Archetypal World — pure Will and Spirit; the root idea (Fire / Yod).
Briah — Creative World — the heart-mind; formative feeling (Water / Heh).
Yetzirah — Formative World — the astral; thought and image (Air / Vau).
Assiah — Material World — the manifest, physical plane (Earth / final Heh).
The suits climb the Worlds: Wands→Atziluth, Cups→Briah, Swords→Yetzirah, Disks→Assiah. Each pip/court names the plane it works in.

THE COLOUR SCALES — REFERENCE

The four scales colour the four Worlds (Liber 777):
King — Atziluth; for paths/letters. **Queen** — Briah; the usual Sephira colour (the pips take these). **Prince** — Yetzirah. **Princess** — Assiah; often flecked/rayed, the most material.
Each card's swatches read K · Q · P · Pr. Zodiacal trumps take their **sign's** colours; planetary/elemental trumps their planet's/element's; pips and courts their **Sephira's**.
Source: GD/777, cross-checked to the card essays; hex values are approximations.

TRUMPS AS PATHS + COUNTERCHANGE — REFERENCE

Each Trump is a **path between two Sephiroth** — a movement, not a station — and carries one Hebrew letter (paths 11–32 = Aleph–Tau).
Crowley's counterchange: the **Emperor** takes Tzaddi (path 28) and the **Star** takes Heh (path 15); the two swap letters and paths, but keep their **signs** (Aries, Aquarius) — so their **colours** (which follow the sign) do not move.
“Tzaddi is not the Star.” (AL I.57)

ZODIAC RING & TRANSITIONS — REFERENCE

0° Aries at the top, going clockwise. Signs turn ~ the dates shown (±1 day). Each sign = 30° = one “hour” of the ring; each decan = 10°. Courts span 20°–20°, so each crosses one cusp.

CHAKRAS — A MODERN OVERLAY — REFERENCE

Chakras are not a Thoth correspondence. Crowley names only the *Brahmarandra* (crown) chakra once — on the Fool — and uses lotus imagery throughout; there is no per-card chakra table in the Book of Thoth.
This deck maps them **via the Tree** (Middle Pillar): Kether→crown, Chokmah/Binah→brow, Chesed/Geburah→throat, Tiphareth→heart, Netzach/Hod→solar plexus, Yesod→sacral, Malkuth→root. Trumps show the chakras of the two Sephiroth they join.
Treat as overlay, marked [overlay] on every back.

GLOSSARY — ASTROLOGY & TIME — REFERENCE

Zodiac — The 360° ring of twelve signs the Sun appears to travel in a year.
Sign — A 30° twelfth of the zodiac (Aries…Pisces), each with an element and a mode.
Element — Fire, Water, Air, or Earth (plus Spirit) — the qualities everything is classed under.
Triplicity — The three signs sharing an element (e.g. Fire = Aries, Leo, Sagittarius) → one suit.
Mode (cardinal/fixed/mutable) — A sign's manner: cardinal = initiating, fixed = stabilising, mutable = adapting.
Decan — A 10° third of a sign; the 36 decans each carry one small card, ruled by a planet.
Chaldean order — Saturn-Jupiter-Mars-Sun-Venus-Mercury-Moon — the sequence that assigns the decans.
Cusp — The boundary where one sign becomes the next (≈ the transition dates shown).
Ascendant / rising sign — The sign rising at birth; with the Sun-sign it fixes a court card for a person.
Nativity — A birth chart; Crowley reads a court as a person by Sun or rising sign at nativity.
Planet — One of the seven classical planets, Sun through Saturn, used as rulers.
Ecliptic longitude — Position round the zodiac in degrees; 0° = start of Aries (top of the ring).

GLOSSARY — QABALAH & THE TREE — REFERENCE

Qabalah — The Jewish mystical tradition Crowley adapts; its Tree of Life underlies every correspondence.
Tree of Life — The core diagram: 10 Sephiroth joined by 22 paths; minors climb it, Trumps are its paths.
Sephira (pl. Sephiroth) — One of the 10 emanations/stations on the Tree; the numbers 1–10 each are a Sephira.
Emanation — The outflowing by which each Sephira proceeds from the one before it.
Path — One of the 22 lines joining two Sephiroth; each bears one Trump and one Hebrew letter.
Pillars — The Tree's three columns: Mercy (right), Severity (left), and the balancing Middle Pillar.
Tetragrammaton (יהוה, YHVH) — The four-letter Name Yod-Heh-Vau-Heh; maps to Fire-Water-Air-Earth and Knight-Queen-Prince-Princess.
World / plane — One of four planes the whole Tree repeats in; Crowley calls them the “four planes” (see The Four Worlds).
Minutum Mundum — The “Lesser World” — the Golden Dawn colouring of the Tree; the Queen-scale colours the pips take.

GLOSSARY — COLOUR, CHAKRA & SYMBOLS — REFERENCE

Colour scales (K/Q/P/Pr) — The four Golden Dawn colour scales, one per World; each card shows all four.
Flecked / rayed — A base colour speckled (flecked) or streaked (rayed) with a second, in the Prince/Princess scales.
Glyph — The shorthand symbol for a sign, planet, or element (e.g. ♈, ☿, △).
Chakra — A body energy-centre from yoga; here a modern overlay on the Tree — not part of Crowley's system.
Quintessence / Spirit (Akasha) — The fifth element: the all-pervading essence behind Fire, Water, Air, Earth.
Lotus — The flower Crowley uses throughout for the life-force and the chakras.

GLOSSARY — TAROT & READING — REFERENCE

Trump / Major Arcana (Atu) — The 22 titled cards, Fool–Universe; each is a path and a Hebrew letter.
Minor Arcana — The 56 suit cards: 40 pips + 16 courts.
Pip / small card — A numbered suit card, Ace–10; each is a Sephira expressed in a suit.
Court card — The sixteen “people” cards: Knight, Queen, Prince, Princess in each suit.
Ace — The Root of its element — the seed of the suit, set above the numbered cards.
Root — Crowley's name for the Aces: “the roots of the four elements,” pertaining to Kether.
Significator — The court card chosen to stand for the querent in a reading.
Querent — The person the reading is for — who asks the question.
Elemental dignity — Judging a card by its neighbours: friendly elements strengthen it, contrary ones weaken it.
Well-/ill-dignified — Strengthened (well-) or afflicted (ill-) by neighbours; Thoth uses this, not reversal.
Reversal — Not used in Thoth — where other decks read a reversed card, Crowley reads elemental dignity.
Counterchange — Crowley's swap of the Emperor's and Star's letters/paths (Tzaddi↔Heh); their signs stay.
Quadrant — A quarter of the heavens; Princesses rule quadrants round the N. Pole, with no zodiac span.
